Establishment of Paternity

The process by which the biological parent of a child born out of wedlock is identified and adjudicated as the legal father.

6/12

How is Paternity Established

- **Voluntary acknowledgment of paternity**
- **Petition requesting an Order of Filiation**

6/12

Petition

Request for court to take action.

could be.....

- **Paternity petition**
- **Support petition**
- **Modification of an existing order**
- **Violation Petition**

6/12

What Happens Next?

- **The petition is sent to the Family Court General Clerk's Office to be placed on court calendar**
- **A summons is sent to the custodial and non-custodial parents**

6/12

Family Court Date

- **Parties appear in front of the Support Magistrate**
- **If paternity is an issue, paternity must be addressed first**
If the putative father does not deny, paternity is legally established

6/12

Court Date (cont'd)

If putative father denies paternity:

- DNA tests ordered
- Parties return at a later date for results
 - Results conclude putative father is the biological father
 - no further denial, paternity is established and support addressed
 - denial continues, hearing scheduled before Family Court Judge for determination

6/12

Court Date (cont'd)

--now, the support issue is addressed

Support order is entered based on the NYS Guidelines of the Child Support Standards Act (CSSA). Non-custodial parent pays:

one child	17%
two children	25%
three children	29%
four children	31%
five or more children	35%

(non cust adj gross income)

6/12

CSSA Example (support for one child)

Non-custodial adj gross \$360 wkly

Custodial parent adj gross

\$500 wkly

Total adj gross \$860 wkly

Non-custodial pro rata share of total adj gross income is 42%

For one child, non-custodial must pay 17% of 42% of \$860 (or 17% of \$360) = \$61 wkly

6/12

After Court Interview

Custodial and non-custodial parent are individually advised of:

- provisions of support order
